2. [REDACTED] The Director met with Senator Joseph D. Tydings, accompanied by John S. Warner. Present from the Senator's staff were John McEvoy and Robert Burt. The Director reviewed certain of the problems the Agency had with S.1035. Senator Tydings pointed out that Senator Ervin was not agreeable to any further hearings before the Committee except in open session. The Director explained why this would be inappropriate. The question was asked of the Director what he wished the Senator to do. The Director stated that he merely wished the Senator to know at firsthand the problems that confronted the Agency as a result of this bill.
